## OUR NOVEMBER PROGRAM

### Dale O. Roberts

**Dale O. Roberts** received his AAS from Rochester Institute and graduated Cum Laude with a BFA in Painting and Drawing from the Tyler School of Art at Temple University in Philadelphia.

Dale is a representational artist whose specialty is encaustic painting, a hot wax medium. He has been painting for over twenty years.

Encaustic is a painting medium dating back to Roman times. Beeswax, resin and dry pigment are combined, heated and applied warm to rigid panels. The final step is a "burning-in" which fuses the painting layers, resulting in a luminous, textured, cloisonne-like surface. It is a rich and sumptuous finish. Dale has been honing his skills in this medium for over twenty years and is a master of the process.

Dale finds inspiration in the everyday objects and terrain of life and elevates them through his consummate skill with wax, pigment, color, line and composition to a level for further consideration by the viewer.

#### Artist's Statement

The work I am currently engaged in is a continued refinement of a visual dialogue with life. Changing relationships of light, air and color, specific season and time of day, are the foundational structures underpinning my work. A yearning to see and interpret more clearly and truthfully defining qualities intrinsic to each subject has become my obsession. The interactive process of painting in itself, with its history, both person and universal, is the backdrop and the lens which places each new effort in context.

## SCHOLARSHIP FUND NEEDS A BOOST

Each year, WAA makes a contribution to a graduating high school student who shows exceptional promise in the art field, and who plans to continue his or her studies in the field. That scholarship fund is financed by our monthly 50-50 income and a 10 % donation on any sales. Although these monies provide helpful support for the fund, they just are not enough to offer the selected graduate significant assistance.

The solution: additional generosity of our membership. If you feel generous enough to help offer a boost to our scholarship fund, why not add a few dollars to our fund. Two, five or ten dollars can make a difference. Send your check, made out to WAA, to Scholarship Chairperson Joyce McAfee, 46 Brace Road, Medford, NJ 08055.

Your help WILL make a difference.

Elections for WAA officers will be  
at the November meeting  
Here is the initial slate for candidates.  
If you wish to add your name to the list,  
please let Ben Cohen know.  
You can also add your name at the  
November meeting.

**President's Message:**

Reminder again: Pick up of your art work from the WAA Annual Show is coming up. Please be kind and pick up or arrange to have the work picked up on time.

It has been an interesting year as your President and I hope that I have started a few things that will be continued.

As usual, this is your art organization and the more volunteers we have, the more the organization will grow and be active, so think about volunteering and giving a few hours a month to help with the activities – whether it is helping with a show, volunteer to bring refreshment for our meeting or helping to gather data for the newsletter, just to mention a few. There are many ways you can contribute and in the future I am hoping to get to know more of the members and seeing them volunteer!
